LIFE'S CROSSROADS . . .

Photo by Staff

Page by R. Green.

If you look at your life from the right angle, you could say that life is just a series of decisions. One choice after another, linked in an endless sequence. Perhaps you might consider all these choices as a series of crossroads on a pathway: life.

So as we go from one intersection to the next, we gain experience and confidence. The greater difficulty of the challenges are met and conquered because of our increasing decision-making skills.

Some choices are small: which shirt should I wear today? Where should we go for lunch today? Other decisions are of greater importance: What classes will I take this year? Will I go to college? These choices are becoming more and more common as we grow older.

According to Indian legend, there was a messenger famed for his swiftness. He would bear tidings of both the victories and defeats of his tribe. In this editor's opinion, this must have been a difficult choice to make: after all, this would have been a rather dangerous duty. The possibility of capture by the enemy tribes or being attacked by a wild animal would have been high.

Whether or not he ever was hurt really isn't important, because it was just a dangerous duty he chose to undertake. To say that his choice was a good one or a bad one is purely a matter of opinion, but this editor's opinion is that he made a good choice. And the young man's name? It is the same as this book: MANA HA SA.

The Welcome Back Assembly took place on October 13th and was organized by Student Council. The purpose of the assembly, according to Corky Warr, was to 'fire up school spirit'. The assembly was highlighted by Mr. Swain singing "Mack the Knife". The song also had some additional lyrics, which included a prediction of victory for the Warriors over Idaho Falls. Not to be outdone, the varsity team did deliver the win.

The Meridian vs. Borah game was one of the most exciting games of the 85-86 football season. It was played on August 30th at Bronco Stadium. Borah got off to an early lead, and the prospects were looking bleak for our side. However, the team didn't give up the ghost, and were able to come back, and defeated the Lions with a final score of 16 to 7.

HOMECOMING RESOLVES DILEMMA

Homecoming was one of the most suspenseful times of the year, everyone was wondering who the Homecoming Queen would be. To be among the first to know, you had to be at the pageant. The Homecoming Pageant itself was held on the tenth of October at Meridian Junior High, and the contest included judgements based on grace, beauty, and speaking skills, as well as a rehearsed speech. Fifty percent of the contest was based on a popularity poll.

The Meridian High Homecoming consisted of various activities during October 7 through the 12. The Homecoming pageant was held on Thursday the 10. The dance was held on October 12, at the B.S.U. Ballroom.

Students as well as the faculty engaged in events such as sweats day, blue and gold day, and nerd day. The assembly also proved to be an entertaining sight with various performances from cheerleaders, drill team, and fellow students.

The week was highlighted with the varsity football game on the 11 of October. Meridian was victorious over Boise High School, 30 to 6.

Nobody at Meridian High was surprised to hear that the wrestling team won the State A-1 Title. Meridian was favored by everyone involved. The surprising part about the competition wasn't who won, but how we won. Meridian scored more than twice as many points as the second runner-up. Meridian placed eight competitors in the final round, and of those, five went on to become state champions in their weight class. John Spencer (98 lbs.), Jon Watson (132 lbs.), Chris Pratt (138 lbs.), Tony Mancilla (167 lbs.), and Jim Straw (185 lbs.) each finished first in their class. This team managed to keep surpassing itself, and continue to amaze those who followed the contests right up until the end of state competition.

"Positive attitudes, hard practices, dedication, and above all, team work," commented Coach O'Mera. This is what the Meridian Varsity Football Team achieved this season.

Meridian gained a record of 10-2, topping all other A1 high school football teams in Idaho.

Described by newspapers as "A powerful team," their talent earned them a chance for the state championship playoffs. Meridian lost this game to Coeur d'Alene 14-21.

Coach O'Mera stated that he was proud of all the players. O'Mera had mixed feelings about the state playoffs, saying, "With any sport there has to be a winner and a loser; unfortunately Meridian lost."

Individual accomplishments on the team included: Most Valuable Player, Senior Matt Jeffries; Defensive Lineman Award, Senior Paul Walker; Linebacker Award, Senior Derek Moore; Receiver Award, Senior Tim Richardson; Offensive Lineman Award, Jenior Rich Van Woerkom; Offensive Back Award, Senior Jim Waite.

VARSITY TAKES THIRD

The Meridian High School Varsity Basketball Team was ranked number one in the state in 1986. They also placed third in the A-1 District Tournament and went to the State Playoffs. Coach Haynes stated that the team practiced for several months out of the year to obtain their only goal, to go to the State Tournament. Coach Haynes reflected that his team was "a great bunch" to the coach and he had great respect for them.

The Meridian JV and Sophomore Basketball Teams did very well throughout the season. The records as of February 7th were: 12-5 for JV, 14-1 for soph A, and 11-6 for the soph B team.

The soph B team was invited to the Snake River Valley JV Tournament on February 18th, 19th, and the 20th. It was the first time ever that a soph B team had been invited to the tournament. Coach Kerfoot, of the soph A basketball team, made a goal of going 21-1 by the end of the season. The JV team went to the JV Tournament at Borah on February 17th, 19th, and 20th.

The Girl's Varsity Basketball Team consisted of eight Seniors, five Juniors, and two Sophomores, coached by Mr. Roy. The team won both the District and the Southern Idaho Conference Tournaments for the sixth year in a row. They started practice at the end of October and continued through the season for a twenty win and three loss record. The Girl's Varsity Team worked extremely well as a team with defense being one of their strongest points. They continued the proud tradition of Meridian's Girl's Basketball Teams.

DISTRICT TITLE EARNED

"If they had a weakness it was early in the season while they were learning a new position, but that weakness became their greatest strength," was how Coach Holsclaw summed up the 1985-86 Girls J.V. Basketball Team. The J.V. Team had a favorable season with a record of 10-2 in league play. MHS won the J.V. Tournament against Capital 38-35, to become the District Champions.

The Girls Sophomore Basketball Team worked hard during the 1985-86 year with each girl acting as captain. Coach Johnson believed the most difficult game was against Borah, and the easiest was against Nampa. One of the season's highlights was when MHS came from a 12 point deficit at half time to beat the Mountain Home J.V. team by 3.

This is the second year that soccer has been a letter sport within the state high schools. Soccer is growing rapidly in popularity in America and many people are becoming fans of this newly Americanized sport.

The Meridian High soccer teams worked hard and showed great potential for the upcoming years. Although none of the teams made it to the State Championships, they all displayed their best efforts during their best efforts during the 1985-86 season.

VARSITY VOLLEYBALL ACHIEVES STATE

Girls' Varsity Volleyball went to district this year, where they lost the title game to Nampa; 15-13, 16-14, 15-11. Thanks to the outstanding finish at District, they got to go to the State Tournament in Pocatello. There they suffered a hard-fought, emotional loss late in the tournament. In spite of the loss, the girls felt that State was their best experience of the season.

Another highlight for the girls was winning the Wood River Invitational. Meridian placed first among eight of the top high school volleyball teams in the state.

The JV 'A' volleyball team had a smashing season with 15 wins and 6 losses, a total of 21 games. Captains Janet McCrorey and Gina Nachbar, both juniors, led the team through their easiest game, against Boise, and their hardest game, against Nampa. Setting and hitting were among the team's best points.

JV 'B', an all-sophomore team, also had a good season.

As a whole, the JV team showed good sportsmanship and school pride.

RECORDS EARNED

The Boys Varsity Cross Country Team, led by a strong overall group effort, took first place in all but one of their matches this year. They won the district title for the first time in 10 years. They also took part in the Gary Franklin Invitational in Eugene, Oregon. They were able to place third out of the 48 best high school Cross Country team in the entire Northwest. At the State Tournament in Moscow, they were narrowly edged by an outstanding Highland team for the State Championship.

The girls team; powered by many returning Juniors and Seniors took second place in almost all of their matches. They took fourth at the Gary Franklin Invitational, and they narrowly lost the district race to Borah.

At state they took third place behind Coeur d'alene and Borah, still managing to take one of the highest places ever for a Meridian Girls Team.

The '85-'86 Varsity Cheerleaders practiced their routines every day during fourth hour, and on some days they also practiced before and after school.

They were active in training camps during the summer, including the NCA summer camp, where they did very well in group and individual performances. Junior Lisa Walther won many awards for her energetic, spirited performance. Senior Lori Okamoto also won many awards, including an offer to return next year and teach at the camp. She also received the opportunity to go to Hawaii over Christmas Break and cheer at the Hula Bowl.

Meridian Sophomore Cheerleaders made their debut at the Welcome Back Assembly held this past September. They provided Warrior spirit in this assembly, as well as the Sophomore Assembly they sponsored. They led cheering for all Sophomore football and all sophomore "A" basketball games as well as cheering for girls' J.V. and sophomore basketball games.

They were chosen as the second best Squad at the N.C.A. camp last summer. They practiced hard every day this year. Although having many responsibilities, they have done their job well.

DRILL TEAM BOOSTS SPIRITS

The Meridian High School Basketball Drill Team helped boost school spirit by performing at assemblies and basketball games. Several of their activities included putting on a dance clinic for area fifth through ninth graders and holding a spring show on April seventeenth.

Their goals were to place in three competitions the Interstate Dance/Drill Competitions, the Intermountain Drill team Competition, and the Pacific Northwest Drill team Competition. Page by M. Peckham.

MARCHING BAND STEALS THE SHOW

Photo by C. Su

The 1985-86 Warrior marching unit had a very exciting and successful season. The 306 members of the marching unit, comprised of the Band, Drill Team, Color Guard, and Drum Corps., were led by four drum majors; Will Robinson, head drum major, Lance Haight, Michelle Beeson, and Jeff Kirkman, assistants, and two advisors; Mr. Ron Van Order and Ms. Penny Andrew. The unit competed in two contests, one in Pasco, Washington, and District III competition at Boise State University, taking a second place trophy each and a trophy for best drum line. The show this year was designed to be extremely exciting and entertaining and even succeeded in bringing the audience at District III to their feet. The unit topped off their season with a trip to California with performances at Disneyland, Sea World, and a nationally televised half-time in the Raiders vs. Charges game at the San Diego Stadium. The key to the units success was their tremendous "Esprit de Corps" and overall enthusiasm. The unit developed a winning attitude and could march anywhere in the U.S., be accepted well, and feel like the best.

Men's and Treble Choirs' best performance was the Christmas Concert shared with Acappella and Jazz Choir. Mr. Swain, this year's director, was delighted and said "They were very good!" He also had a fun time for his first year in this school. Another success was the Fall Concert; it was their first performance.

Men's and Treble Choirs' lessons were during fifth and seventh hour every day, and both of them have sung more than twenty songs this year.

Meridian High's Acapella choir is an auditioned choir consisting of over sixty members. Acapella is a class that brings out the musical talents of MHS students. The choir practices every day, so that they can do their best at the school's choir concerts.

The Acapella choir spent all year developing their singing talents, and raising money to attend the World Exposition. Some of their fund raisers consisted of bake sales, candy sales, Christmas caroling, and singing telegrams.

RODEO TEAM DISPLAYS POTENTIAL

The 20 member Meridian High School Rodeo Team competed in eight rodeos, and ended the season with a three-day district rodeo. Rodeo contestants Rance Morgan, Bruce Pape, Danny Wilson, Cindy Taylor, and Joey Van Dorn either placed or won events at District competition, and went on to state.

Vocational Industrial Club of America, better known as Auto Mechanics, is a non-profit organization. This club consists of students who are educated on a secondary level. This means they have teacher guidance and display the skills to go on to a post secondary level which is college and/or on the professional level.

Over the past year the Meridian Chapter Future Farmers of America have proven themselves to be the best in the state. The FFA participate in many agriculture related contests at district, state, and national levels. The state contests were held at the University of Idaho in June. In 1985 Meridian won 5 of the 8 contests, a record amount to be won by a single Idaho Chapter. These five winning teams then went on to National Competition in Kansas City, Missouri. The skills used in the contests are taught in Agriculture classes at the school. The FFA hold monthly meetings during the school year. The meetings were conducted by the officers with guidance from their advisors, who are the Ag. teachers at MHS. The officers are chosen at the end of each school year and trained over the summer. One of the training meetings is held at Silver Creek Plunge, a campground with a naturally heated pool, friendly people, and acres of green grass and trees. Any Meridian FFA member is welcome to go, not just the officers. Half a day is spent planning the activities for the next year and the rest of the time is spent just having fun. The FFA members may show livestock at the Canyon County and Western Idaho Fair, competing against FFA members from their own and other chapters. Some other activities the chapter participates in are the Meridian Dairy Parade, The FFA District Leadership Conference, and the Junior/Senior Co-Op Picnic. The money used to support the chapter is earned by the members during orange sales, fair clean up, straw hauls, and other activities.

YEARBOOK CONTINUES 66 YEAR TRADITION

Photo by Staff.

Extra hours, hard work, and team effort were the qualities needed to complete the 1985-86 yearbook. The yearbook staff worked hard to meet the pressures and challenges of constant deadlines. Team work was an important factor on this yearbook staff. The requirements of assignments were often difficult and help from fellow staff members was beneficial.

The class taught responsibility, as well as journalistic, photographic, and word processing skills. The staff was required to do interviews, photograph various school functions, and write information on school events for the yearbook.

The uniqueness of this particular class was the dedication and personal time each student gave help complete the yearbook.

Meridian High School's newspaper has had a great staff. They started work in the middle of August. Their job extends to cover a variety of areas: taking pictures, writing copy, using computers, sending the newspaper to the printer, and organizing their whole schedule. They often worked during lunch time and after school. At times it was necessary for them to stay until eleven at night to meet the deadline. They issued the newspapers once a month. The newspapers have covered school sports, activities, teachers, and also entertained and interested their readers with the latest social events and problems.

Their job is to "Tell what's going on in this school to the students," and all staff worked hard together. They have reason to be proud of themselves by having made the newspaper. Mrs. Lois Morgan is the advisor.

The 1985-86 student government, consisting of the associated student body officers, class officers, home room representatives, and the cheerleader representative, had a busy year. They were in charge of activities for school assemblies, Homecoming Week and pageant, Welcome Back Dance, Christmas Formal, Records Week, and the Associated Student Body Elections, along with being responsible for the spirit and unity of over two-thousand, three-hundred students. The twenty member student council dealt with the problems of informing and involving students. They also took on special assignments such as the Students Against Drunk Driving, S.A.D.D., program; which they took to the Junior High's. The student government got ideas for activities from the students through locker numer one, the suggestion locker.

German, French, and Spanish Clubs had a big concern with other countries through foreign exchange students. Their greatest interest was to learn about oversea cultures and their languages. In the meetings, they watched movies in native languages, had parties and dances, and listened to foreign exchange students. Although these meetings were rather small within each club, the clubs often shared fun together. They held a Halloween Party inviting the students from overseas. In the spring, they held a baseball game. All the foreign exchange students have contributed to these clubs and also to many activities as Meridian High School students.

The Service Club plays an important part in Meridian High's winter and fall extracurricular activities. The club serves popcorn, sodas, and candy at basketball games and wrestling matches. This year, the club had trouble finding enough members, but worked hard and was able to serve at most of the games.

The money Service Club raises is for scholarships and special school projects. The money is also used for Service Club T-shirts and an occasional "on the house" dinner for the members who give up their time on weekends.

Higher education has always been an objective at Meridian High. The students have always strived for the best in the pursuit of knowledge. Many groups at Meridian had these ideals as goals. However, these groups have displayed many of the other qualities needed to succeed in life.

Meridian High School offers a program that endorses leadership, character, courage, honesty, scholarship, and cooperativeness. The two particular groups that fulfill this criteria are known as Girls and Boys State. These groups learn about the responsibilities of American Government and citizenship, through the experience of setting up a mock government, running for offices and then taking a trip to see the State Legislature in session. Girls and Boys State is sponsored by the American Legion and the American Legion Auxiliary.

Another group that centers on education is the United States Academic Decathlon Team. It is a nationwide academic competition in the broad area of knowledge. As the title indicated, there are ten areas in which the participants compete: Fine Arts, Language Arts and Literature, Social Science, Science, Mathematics, Economics, essay writing, a planned and impromptu speech, an interview to test communication skills and finally a Super Quiz on the topic of immigration. The decathlon encompasses more than just "A" and "B" students. Students who have a "C" or lower were encouraged to join. The teams consist of six students: two "A", "B", "C" or lower students. Although there are more than six people on the decathlon team, none of the team members know who will be competing until the day of the competition. This ensures that all members would take part in the study sessions and work toward being selected to compete on the day of the contest. The alternates are allowed to compete, although their scores do not influence the school's score.

Meridian did extremely well at BSU, placing second in the State of Idaho. During the competition Mike Stark won a gold medal while Kelly Eastman and Lisa Beckstead won bronze medals for their outstanding scores.

The National Honor Society is a group that is selected on many virtues considered important in life. Probably the most dominant requirement for Honor Society is scholastics, but there are other considerations to take into account. Some of these virtues include leadership ability, character, and services to the community. The true purpose of this organization is to recognize scholastic achievements of those few students who earned them.

The Vocational Club is a club consisting of life skill vocational students. It is a service organization that helps to improve student concept and promote social interaction. This year's club was lead by president Gene Gumm and vice-president Doug Clark. With the help of the advisors, Mr. Gardner and Mrs. Warne, the club raised over $200.00 at the Jog-A-Thon and sold Christmas Buttons during the holiday season. The members also built the sets for the drama class, and made money by selling snow cones in the mall area during the summer season.

Physical training and fitness is becoming increasingly more important in high school athletic programs. One club that promotes fitness and physical strength, is the 1,000 Pound Club.

The 1000 lb. club, developed in 1981 by Coach O'Mera, has 20 male athletes as members. The young men must lift approximately 1,000 lbs. between three different lifts in order to become a member. The lifts consist of the bench press, the squat, and the deadlift. If the individual athlete achieves this, he receives a t-shirt and his name goes up on a board in the weight room.

This club consist mostly of football players, however, it is open to all athletes who are eligible to participate.

"Just For a Moment" was the theme song for this year's Homecoming Dance. The dance was held Saturday night, October the 12th, in the B.S.U. Ballroom. The cheerleaders sponsored the dance, with dress being formal/semi-formal.

CHRISTMAS FORMAL BRIGHTENS ROAD

The first semester ended with a blast. Christmas formal was held at the Mardi Gras on December 21. The tunes were cranked out by Mobile Music Madness all through the dance. The Theme for the '85 Christmas Formal was "Say You, Say Me" by Lionel Richie. Snow King and Snow Queen, Andreas Winell and Kim Poirier shared the spotlight dance late in the evening. The dance was sponsored by the Senior Class of '86.

Country and pop music provided rhythm for this year's Harvest Hoedown. The dance was held in the agricultural shop and was sponsored by FFA. Instead of selecting a Harvest Queen they held a cutest couple contest. The winners, chosen by the loudest crowd response, were Rich Asmussen and Jan Matensen. First runners-up, Kerri Dobbs and John Shaffer and second runners-up were Laurie Huber and Cole Crofts.

ASSEMBLIES BOOST SPIRITS

The 1985-86 pep assemblies boosted the Meridian Warriors spirits, helping us accomplish a great year in sports. The student council sponsored many skits including a skit done by the parents of some of the students that attend Meridian High. Some of the other activities were performed by the cheerleaders, the drum corps, and members of the dance unit.

MHS EXPECTS CHANGES

Top row: Wally Hedrick, Trustee; Scott Grow, Chairman; Bill Robison, Trustee
Bottom row: Gary West, Trustee; Roger Lewis, Trustee

Meridian High is looking forward to many new changes. The District will be hiring a new principal at MHS and building a second high school. Dr. Hallett, the Superintendent of the Meridian School District, doesn't expect any major changes with a new principal coming in next year, but predicts a few minor ones.

Overcrowding has been a major issue at Meridian High and with a little luck, the problem will be solved by the fall of '87 with the completion of a new high school. Along with the new high school, a school cafeteria for Meridian High is a top priority, following only the need for enough classrooms and the safety of the students.

By the end of 1987, Meridian should be back to a normal schedule. Although many have not been happy with the split schedule, Dr. Hallett stated, "It's (the split schedule) worked remarkably well, and it's worked well because the students, and the teachers, and the parents have tried to make the best of it." ADMINISTRATION FACES CHALLENGING YEAR

Photo by L. Wright

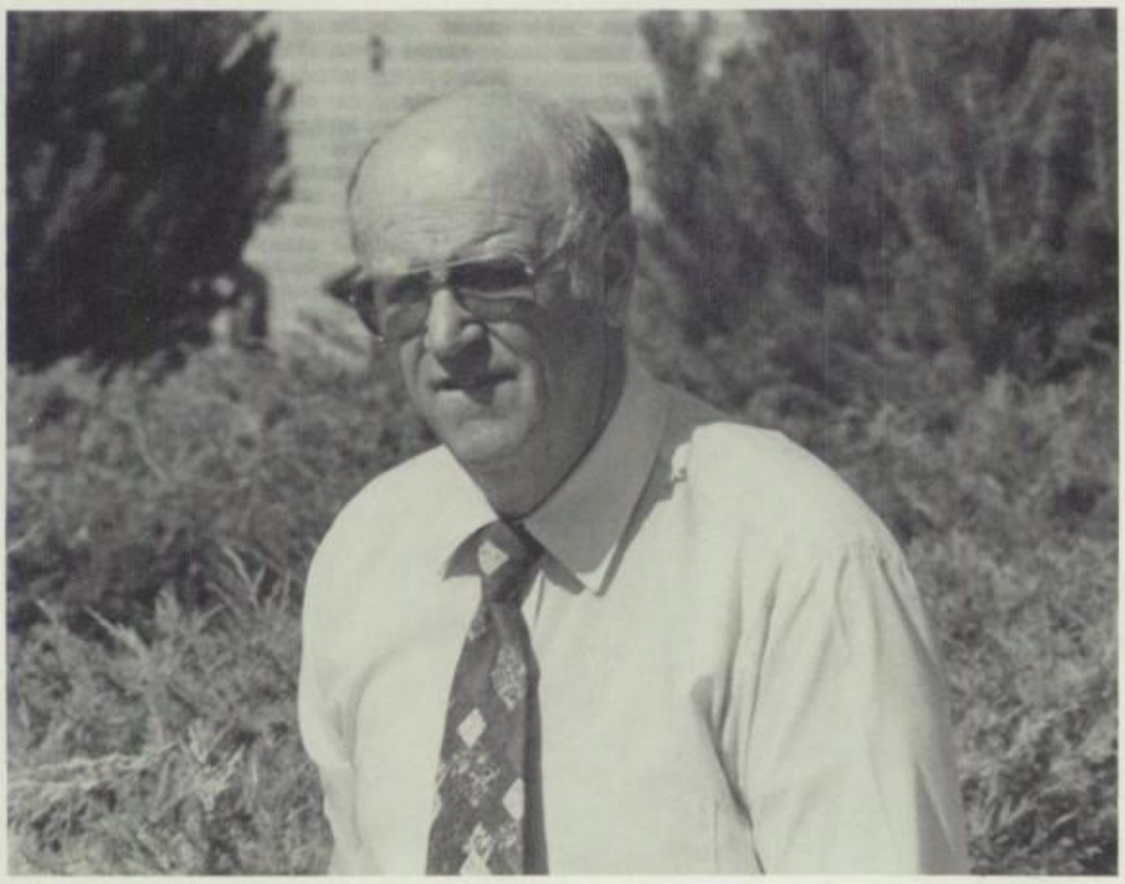

Photo by Staff

The 85-86 school year was the last year that Mr. Turnbull functioned as principal of Meridian High. The new principal will take over sometime in July. The past 26 years have been very rewarding for Mr. Turnbull. He has met many students and their parents. In his spare time, Mr. Turnbull plans to spend more time with his horses and his ranch but has not made any other definite plans. Mr. Turnbull adds, "Although this job has the most headaches, it also has the most rewards. It will be difficult getting used to not coming in every morning, but Meridian will always be my home."

These past two years have been amongst the most difficult because of the split schedule and long hours. The staggered schedule has caused problems with the enthusiasm of the students and faculty. The teachers have been having a hard time getting to know fellow teachers and their students. The unity of the school was also affected by the schedule, since it singles out the Sophomore Class.

COUNSELORS' DUTIES EXPAND

With the longer school day at Meridian High, the secretaries and the counselors have more responsibilities than ever before. The secretaries must answer phones, keep track of records, and organize the school files. They work together to keep the school operating. The counselors contribute to the school's good attitude by helping students work out class schedules, achieve credit requirements, and deal with the normal problems of growing up. The help of counselors and secretaries is often unnoticed, but without them the school could not function properly.

JANITORS, COOKS PROVIDE SERVICE

This year the janitors did an extraordinary job in maintaining the school building and school grounds while understaffed. The early winter and heavy snowfall created additional problems for the janitors and caused them to put in extra hours.

The cooks continued to keep their spirits high while preparing food for the four different lunch hours.

The Faculty, this year, worked hard to help students learn and enjoy the 1985-86 school year. They took part in assemblies, gave support at games and competitions, and encouraged excellence in the classroom. In spite of the staggered schedule, the teachers have worked together to unite the studentbody and keep the winning spirit Meridian has always had.

CLASSES

CLASS OF '86

One of the prime forces in our student government were the Senior Class Officers. They continued a strong program in the S.A.D.D. (Students Against Driving Drunk) Chapter that was started the year before. The group was also responsible for the planning of the ceremonies at graduation. Christmas Formal was also sponsored by the Senior Class Officers and they raised funds through activities such as the Senior Car Wash and sales of MHS Mugs for the Varsity Football State Playoffs. In November they attended a Student Government Convention.

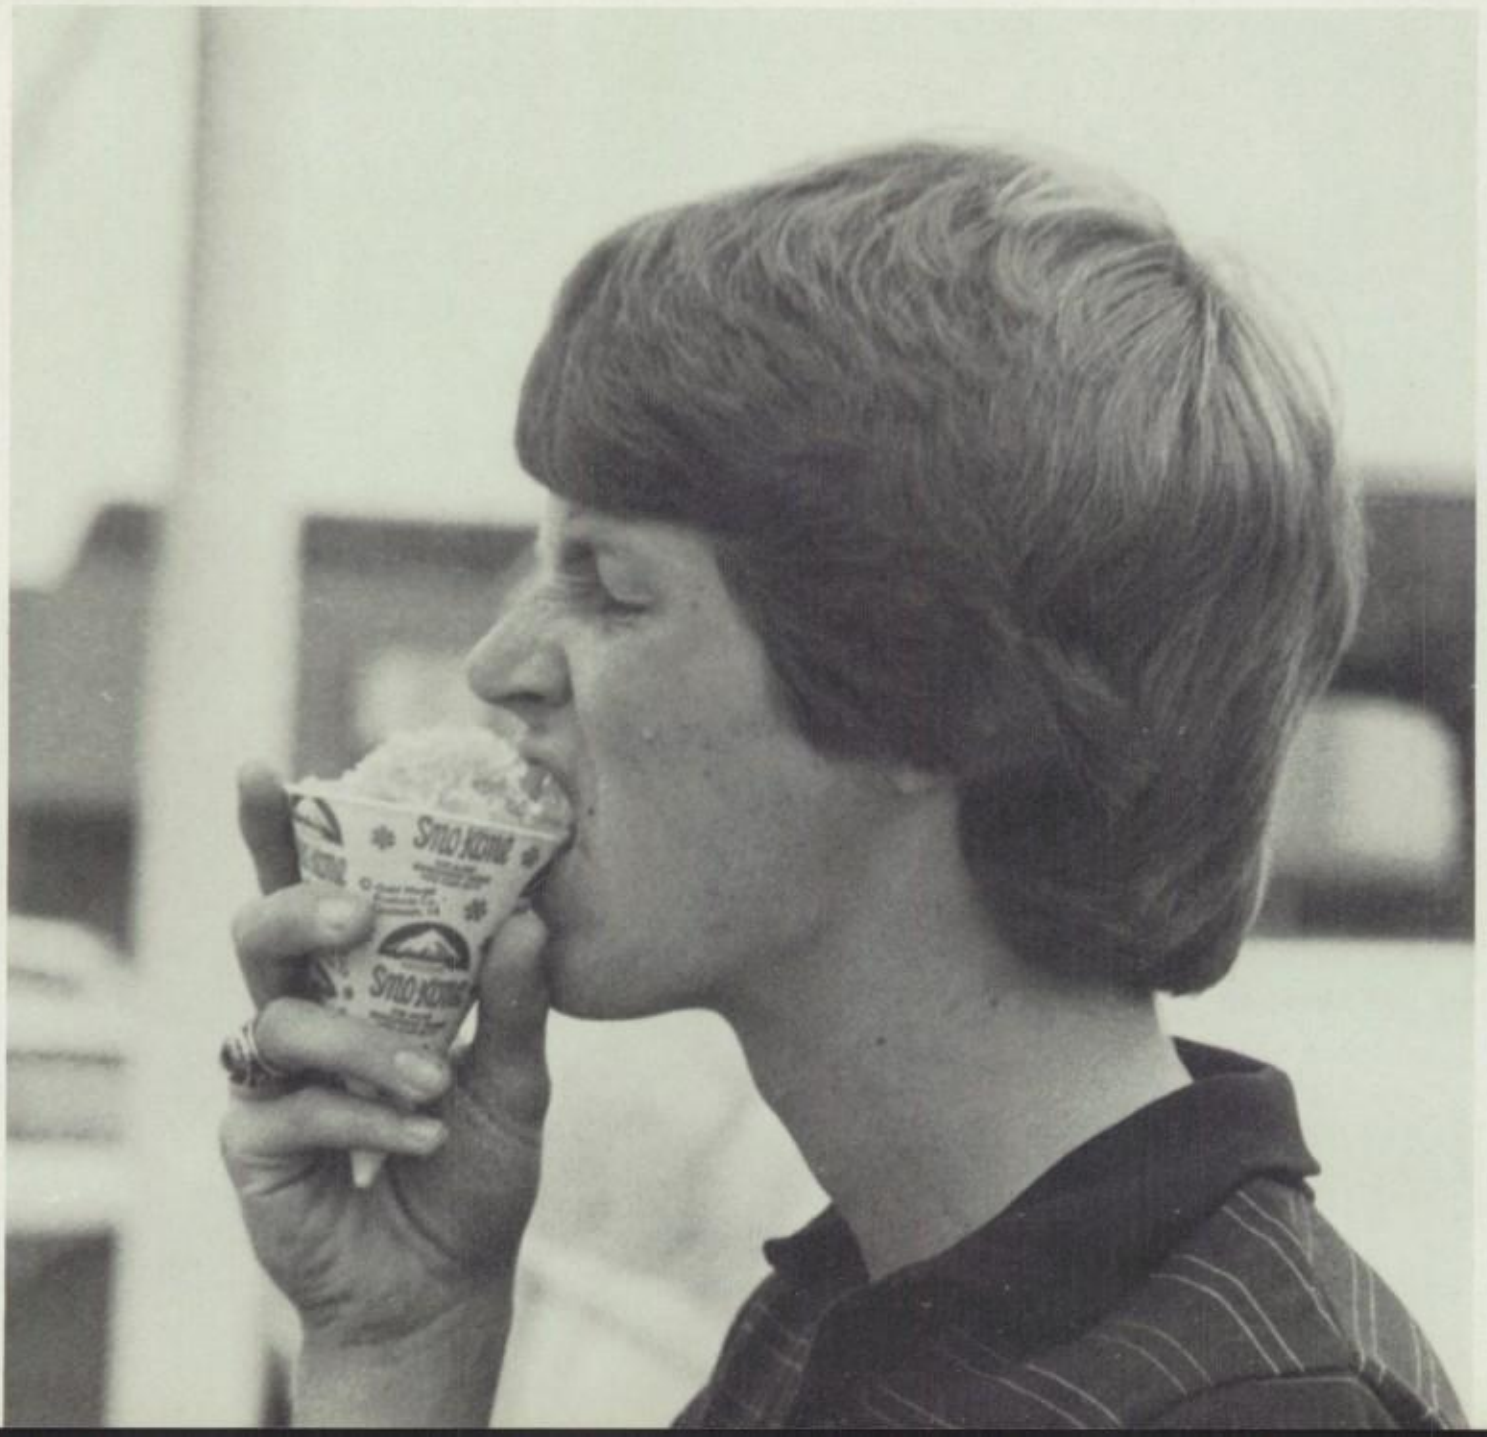
SENIORS GET INVOLVED

Top: Burk Adams displays his school spirit by dressing up as a nerd on Nerd Day during Homecoming Week.

Bottom: Gordon Roberts enjoys one of his favorite extra-curricular activities, eating.



This year the Varsity Football Team made it to A-1 Division One Playoffs at the I.S.U. Minidome in Pocatello, Idaho. There they faced the Coeur D'Alene Vikings to determine the state champions. The Warriors fought valiantly, but were unable to defend against Coeur D'Alene's blindingly fast passing abilities. The Warriors and the Vikings were tied at seven points all at halftime, and scored first in the second half, but the Vikings tied the game, and later established a seven-point lead that the Warriors were unable to break. The Warriors took second in A-1 Division One Competition.

Far lower right: Following his blocker, Matt Jeffries rushes for yardage against the Coeur D'Alene defense. Far upper right: Jim Herrick prepares to evade two Viking defensive players while going around the end of the line of scrimmage. Below: Kris Sanders dives over the opposing linemen in an explosive attempt to advance the ball for the Warriors. Inside left: Jim Waite charges upfield and strains for first down yardage. Near left: Matt Jeffries holds the Warrior's A-1 trophy. Page By R. Green.

CLASS OF "88"

The Sophomore class was overflowing with spirit, according to the Sophomore class President Amy Yates.

The Sophomore class Council helped with the canned food drive and at the time of their writing was unsure of their future plans.

Class officers from bottom to top; Amy Yates, president, Angie Hilton, vice-president, Darcie Lyon, girls senator, Michelle Bennett, secretary, Troy England, boys senator. Page by M. Peckham.

SPRING

MERIDIAN TENNIS ACHIEVES WINNING SEASON

Winning S.I.C. Highlights Outstanding Season.

The MHS Varsity Tennis Team, utilizing balanced Boys and Girls teams, had a record year; including winning S.I.C., and placing well at District and State. They also did well in travelling tournaments, placing third at the Lewiston Invitational, second at the Pasco Invitational, and taking second at the Capital Invitational.

GIRLS TAKE DISTRICT

The girls track team year was highlighted when they won the district championships and took second at the state track meet. The boy's team came in fourth place at the district meet and fifth at the state track meet.

The track teams outstanding members were: Jim Waite who was the 100 meter and long jump, state record of 24 feet and eight inches; Dana Swindell who was the district champion in the 100 and 200 meter races; and Lauri Peters was the district and state champion in the 1600 meter run.

Mr. Gorrell stated that the boy's team was more balanced and talented than teams in the past and the girl's team was Junior dominated and very talented.

Last year 1984-85 Baseball season was exiting for the Varsity team. The team brought home many honors. They were ranked 14th in the nation and had 3 of their players entered into the MHS Hall Of Fame for their outstanding achievements. They were: Brad Brooks, All League First Base, Rob Friesen, All League Pitcher, Don Brown, All League Catcher.

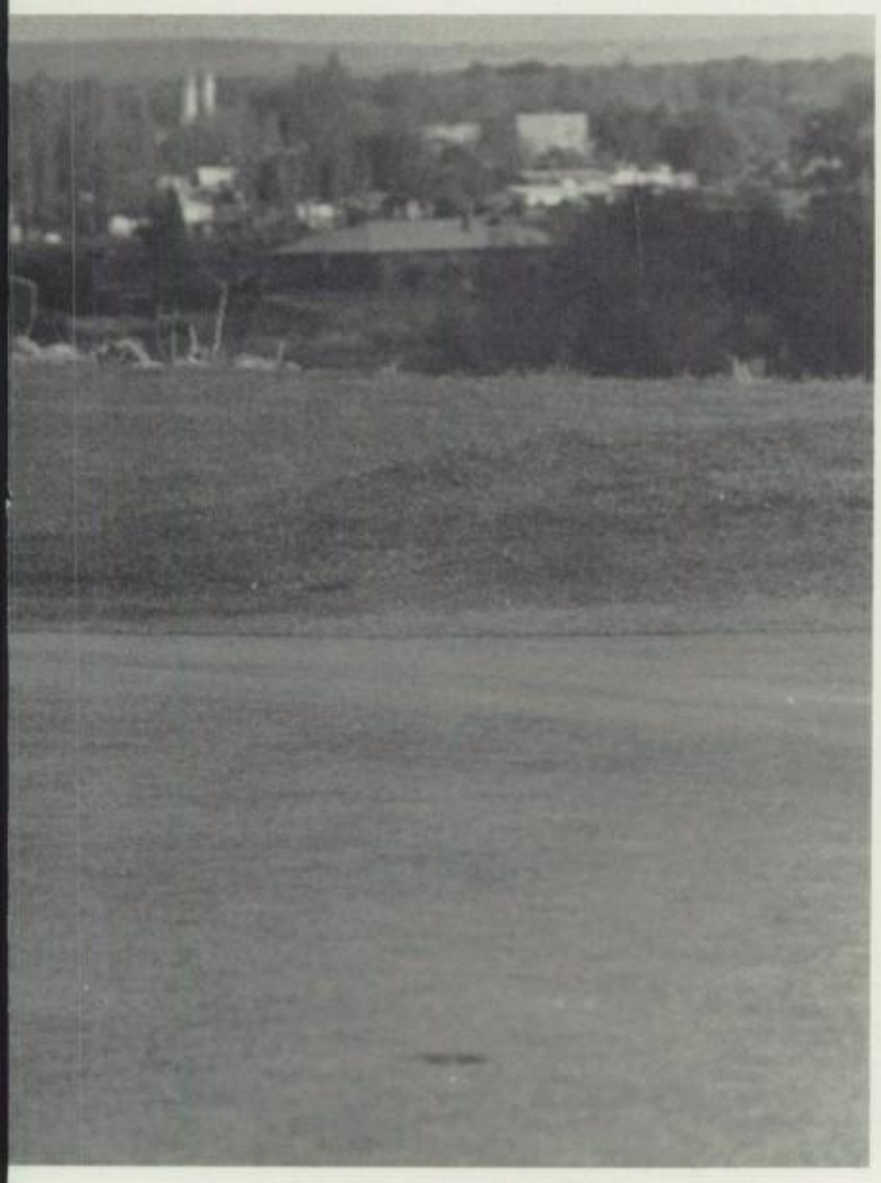
SWINGING GOLFERS END SEASON



Meridian High School's golf team may not be one of the most recognized of MHS's teams, but that hasn't stopped them from achieving many trophies and honors. In past years the Class A — Championship for golf has been won by our team. Emery Roy coaches the Varsity golf team and Art Clifford coaches the J.V. golf team.

The 1985 Meridian High Prom ended a great year at MHS. The theme of the dance was "Heaven" by Bryan Adams and the decorations of balloons and stars created a spectacular effect. Mr. and Miss MHS were announced and shared the traditional spotlight dance. The Prom was sponsored by the Junior Class.

SADIE HAWKINS FEATURES HILARIOUS MATRIMONY

Sadie Hawkins was held on the thirteenth of April, 1985. The dance was sponsored by Drill Team, and was held in the main gym while refreshments were served in the upper lunchroom. There were photographer's sets depicting the couples as engaged or eloping in the tradition of a Sadie Hawkins event. Mr. Conroy was performing 'marriage ceremonies'. Mr. Conroy said, "I guess that this was about the third year in a row I've done this. I read the couple a passage that read, 'Marriage is a commitment; two people going through life together. In order to test those skills, you must answer a question from the 1939 Quiz Book.' Then I asked them to pick a number between one and twenty-five. There were - twenty-five questions in the Quiz Book, so I asked them the question that they chose. If they couldn't answer correctly after three tries, they went to the back of the line and got to pay another fifty cents. If they got the question right, I would say 'Do you promise to be beholden unto no other as long it is convenient? (Say 'I do.') Then by the power invested in me by Student Council, and The Writ Of Hocus Pocus, you may kiss. But don't make a scene."

CANDIDATES SPEAK OUT

"I wanted to get involved." That was the main reason Jacque Barrett and Irene Cook decided to run for student body offices last spring. They both agree that the hardest part of running was the campaigning which took a lot of money and time. Jacque Barrett, ASB vice president, said "When you're up there giving your speech you get really nervous because you're not sure if you're saying what people want to hear. You learn a lot of responsibility, but it takes a lot of your time." "We need more participation in student council elections," stated Irene Cook.

Records week occurred during April first through fifth this year. This is one of the ways that the student body copes with 'spring fever': by staging contests, competitions and demonstrations that prove just how crazy we can actually be. This year, Records Week competitions included the following: jello eating, tug'o'war, three legged race, sack race, pyramid building, juggling, basketball spinning, tricycle race, football throw, and many others far too numerous to mention. The annual Faculty/Senior basketball game also took place, with the Faculty squeeking by with a 50-47 victory over a hard-fighting Senior team.

GRADUATES CROSS FINAL HIGH SCHOOL INTERSECTION

THE CLASS OF 85 ended thier long scholastic learnings at Meridian High on May 31st at the Boise State Pavilion. The Seniors had looked anxiously forward to the once in a lifetime event ever since the early part of the new year.

The ceremonies opened with the high school band playing the Prelude and Processional and was followed by the flag salute led by class president, Kim Johnson. Class Valedictorians, Lois Griffitts presented the Invocation while Robert Koga and Pam Norrie gave the Valedictorian Address.

Awards were handed out by the Superintendent Mr. Hein and was shortly followed by the Board of Trustees who presented the diplomas to the graduates.

Feelings of accomplishment and happiness overflowed the Pavilion Floor as the ceremonies came around to a close. These were going to be moments in their lives they would always remember.
